Keynote Speaker Suzanne Sears has a passion for connecting individuals to government information. She is head of the [Government Documents Department](#) at UNT's Willis Library, has been appointed to the [Depository Library Council](#) by Robert C. Tapella, public printer of the U.S. Government Printing Office, and serves on the education sub-committee of the American Libraries Association Government Documents Roundtable.

Topics covered will include ...

- E-Government
- IM Reference
- New Tools and Gadgets
- Web 2.0, 3.0 and More
- Universal Access, Adaptive Technology and Alternative Formats
- Digitization
- North Texas ILS Consortium
- Adobe Photoshop
- Open Source

For a list of sessions and speakers as well as other information about the 2009 conference, visit <http://www.librarytechnetwork.com/conferencenews.html>.

TechNet is a project of the North Texas Library Partners (NTLP) ~ home of the North Texas Regional Library System (NTRLS).

The [Library Tech Network Special Interest Group](#) is co-sponsored by NTLP and District 7 of the Texas Library Association.

To join the SIG's listserv, visit <http://www.librarytechnetwork.com/discuss.html>

If you have any special needs which may impact your participation in this event, please contact the NTLP office at 817-377-4440 or 800-856-3050 at least 72 hours in advance.

The Institute of Museum and Library Services, a federal agency that fosters innovation, leadership and a lifetime of learning, supports the North Texas Regional Library System, Inc. (NTRLS) through the Texas State Library and Archives Commission.
